Subject: Florida 404 Assumption Consultation Questions

Hello,

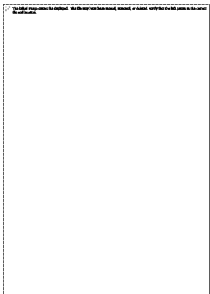

I am writing with a couple of questions about the consultation process for Florida's 404 assumption application.

First, have consultation, the BiOp, and the ITS been concluded?

Second, did EPA engage in consultation with NMFS?

Finally, did EPA consult on coastal species and critical habitat in the Gulf and the Atlantic, such as the loggerhead sea turtle?

Thank you very much for your time,

Lindsay Dubin
